No compromise on comfort & safety

The outfit is engineered keeping in view the ergonomics and technological developments in the particular field of motorsports.

For the very first time in the history of motorcycle apparel, Moto Speeds proudly introduce advances Monaco treated Kangaroo leather featuring Titanium Armour on the shoulder, elbow, and knee.

Aramid integrated accordion leather increases abrasion resistance and offers prolonged compact at odd times. CE category I & II adjustable protectors on the shoulders and knee.

Strategically positioned accordion leather and Schoeller® Keprotec stretch inserts to optimize fitting, allow riders to move confidently on the bike. Breathable liner and handcrafted perforated outer shell improve overall performance on the track.

It's Time to Rock.
